CERTIFIED COMPANY

## The Security Industry

Post 9/11, the Security Business globally as well as in India has gained the importance as against a few years ago, when security needs was very basic. Clients were only interested in the height and build of a security guard. No importance was given to the organization behind the men or the training and skills of the guarding personnel. Time has changed now and the client's requirements have evolved and become very specific. This has given an impetus to the industry at large. With the globalization, the multinational companies are pouring in, the security industry in India have seen a tremendous growth in past few years.

To match these dynamic changes, **S1 SECURITY & ALLIED SERVICE** has realigned its services to the clients and now provides total security services through specialized security services. Today **S1 SECURITY & ALLIED SERVICE** is emerged as a major player in security scenario.
